Family insurance, when available, will be the primary insurer; Pinecroft insurance will be the secondary insurer. See additional info on other side of brochure.

Health & Accident Insurance

Pinecroft carries Health & Accident Insurance for the period of your camp...BUT, Pinecroft insurance is secondary to any family health/accident insurance. In other words, if you have family insurance and your child requires treatment at a local hospital, or hospitalization, your insurance would pay first; Pinecroft insurance would cover what your insurance does not. In the event that there is no family insurance, Pinecroft insurance covers any medical cost resulting from accidental injury sustained while involved in any Pinecroft activities.
